

# EXCITING HAPPENINGS THIS MONTH

MARCH 2022 - SPECIAL EDITION

Dear Parents,

As we have so many wonderful events happening in the school, I have decided to send out a Special Newsletter.

**Spring Festival and Bazaar Saturday 19 March**

This promises to be a fun-filled event which simply cannot be missed. Please encourage your friends to also come along.

## CONT'D

### **Tech-Innovation Challenge**

The Arab Academy for Science, Technology and Maritime Transport is running a Tech-Innovation Challenge to get more young people interested in coding and computer science. We are pleased to announce that we have registered two teams of four students (two from G11, one from G9 and five from G8) for this prestigious event.

Teams will use technology to design a tech solution that tackles one of the United Nations Sustainable Development Goals (SDGs): to end poverty, protect the planet and ensure that all people enjoy peace and prosperity.

Over the coming weeks, the teams will look into the use of websites, mobile apps, or other creative ideas to link to the SDGs. Volunteer mentors from the University will provide support.

Submissions will then be made by 1 May and will be judged by personnel from the University.

**Mr Chris Thomas - IBDP Coordinator**

**Best wishes**
